I understand that **Casey Heinsch** is a Licensed Associate Marriage and Family Therapist under the supervision of licensed psychologist Paul Beljan, PsyD, ABPdN, ABN and Vanessa Berens PhD at Beljan Psychological Services. I understand that my therapist receives additional outside clinical supervision from Shannon McQuaid, LMFT, LISAC and Gerry Blakeman, LMFT.

The goal of supervision is to enhance professional development to uphold standards required of the licensed psychotherapy professional. Supervisors are bound by the same confidentiality as the therapist. With your consent, the supervisors will have access to your confidential information and records for reviewing with the therapist.

Through the course of supervision the therapist may request the use of audiotaping or live supervision sessions. If a request is made, you will receive a written formal request in advance. Live supervision and/or audiotaping will be used for the purpose of the therapist's professional development. You always have the right to decline the request for live or audiotaped supervision.

By signing this form I am agreeing to allow any of the aforementioned therapist to provide psychotherapist services under the supervision of the aforementioned supervisors to my child or myself (whichever is applicable) as a part of treatment services.

I understand that I may contact at Beljan Psychological Services (602) 957-7600, Shannon McQuaid (602) 509-1592 or Gerry Blakeman (480) 367-1660 x3# with any questions or concerns at any time.
